

**100 Days of Art Donation Drop-Off hosted by
Enfield Square on April 28th, 10 AM – 3 PM**

*Local artist asks for donations to collect supplies needed to create 365 pieces of art that
will be donated to schools rebuilding from natural disasters*

Items needed include new or used canvas, wooden boards or sheet metal (no larger than 4 ft. X 4 ft.), unwanted art or wall décor, new or gently used rollers and brushes, paint trays, art paper, watercolors, and frames without glass. Since mijumi creates his art with many unconventional items, materials that may be used as unique stamps or stencils are also encouraged. Please refrain from donating hazardous materials, glass, mirrors, or supplies in unusable condition. While paint is a welcomed donation, it cannot be accepted at the event. Those interested in donating paint of various types and colors are asked to contact mijumi in advance to make arrangements.
